Teeth Cleaning Hygiene Appointment Cancellation Policy

Due to high patient demand and limited availability of appointments, our office has a cancellation policy that requires 48 hours' notice of cancellation. We do not double book appointments; your appointment time is reserved exclusively for you. Patient care is our primary concern and each time a patient misses an appointment without providing sufficient notice, another patient is prevented from receiving care.

We understand that situations and emergencies do occur, however we reserve the right to charge for these occurrences where applicable.

Any appointment that is a No Show or cancelled within the 48 hour window are subject to a **\$75.00 cancellation fee**. Any patient with repeated cancellations without sufficient notice are required to prepay in full for services in order to schedule their next appointment.

By signing below, I acknowledge that I have read and understand this policy.
